Judy,  
No apologies necessary from you, but thanks anyways.

I'm not particularly inclined to attend the 9/8 Grange mtg, unless you think DEQ's presence is important

Jim

My apologies for dragging you guys out for a cancelled meeting last night. I suspect that we (and the WMSWCD) got caught in some sort of Hatfield-McCoy intra-island politics (ie. the Grange Gang vs the Boosters). Our new invitation for the Grange Potluck and meeting is on Monday, September 8, one week after Riverfest. I tentatively plan to take along a table of presentation materials that people can browse past while they are eating hot dogs.

I plan to schedule visits to all of the adjacent and interested neighborhood associations this later summer and fall. Let me know if you want Marcia and I to be the primary representatives for EPA and DEQ at these. I know that Barbara Smith also wants to attend these.
